- (U) Consular update information as of 2300 EDT: In addition to the 8 Amcits in the 40 person convoy at Rwamagana, TFRW Consular working group is trying to confirm the whereabouts of 10 Americans who may or may not have been in Rwanda on April 6. There are also 10 other Amcits whom Embassy Bujumbura believes have left safely with other convoys, but this has not been confirmed. There are also 9 American citizens who have told either Embassy Kigali or the UN that they want to stay in Rwanda. (Embassy Bujumbura/TFRW01 telcons)
- (C) Embassy Paris reported by phone that the first French evacuees arrived at Charles de Gaulle airport at 2200Z April 10 (1800 EDT) safe and sound. France reports that 500 of their 600 nationals in Rwanda have been safely evacuated (though only the first planeload has arrived in Paris). Reuter reported that a group of about 120 German evacuees and 20-plus Swiss and Belgian evacuees had arrived safely in Bonn. (Embassy Paris/TFRW01 telcon, Reuter)
- (C) EUCOM Intel Support staff told TFRW01 that a French MOD reported 580 total French evacuees have left Kigali. The French, Canadian, Belgian and German embassies in Kigali will stay open. (EUCOM/TFRW01 telcon)
- (C) Embassy Nairobi reported that the UN plans three evacuation flights from Kigali to Nairobi April 11, with arrivals in Nairobi scheduled for 0900, 1100 and 1300 local time (1600, 1800 and 1900 EDT). (Embassy Nairobi/TFRW01 telcon)
- (C) Embassy Bujumbura reports that evacuees are to assemble at the Embassy at 0800 local time (0200 EDT) to convoy to the airport, and that the first evacuation flight to Nairobi will leave as soon as possible after the group arrives at the airport. (Embassy Bujumbura/TFRW01 telcon)
